PROFILE SUMMARY

Experienced academic writer with over 5 years of proven success in research-based writing, case studies, reports, and essay development. I began my writing career in 2019 after completing secondary education and have worked with clients across China, the UK, and Africa. Proficient in APA, MLA, Harvard, and Chicago citation styles. Skilled in writing across disciplines such as business, economics, nursing, environmental studies, and real estate. Fluent in English, Chinese, French, German, and Swahili. I consistently meet deadlines and uphold academic integrity, producing original, insightful, and well-structured work for diverse academic levels.
